Something went wrong at the "Real" STAC: Seniors Toadies and Collabos

December 21, 2020

Look, man. We were gonna sit around and pass a joint or two and shoot the shit about the DISINTEGRATED SERVICE MODEL – some fag's been calling it that – and dish out a few more acronyms and some 1984 Newspeak – "HOUSING STABILITY COORDINATOR" (a good one Granite, if I say so myself) etc etc....

Then some asshole perked up with a lot of COMPLAINTS. Imagine! Like we weren't busy little butt-crack chair-warmers already, debating the background colour for those posters hopefully the losers around here won't even be able to read because they aren't even written in their language.

It was brilliant, then look at THIS –
